

Simplify your business payments

Start and grow your business with confidence, knowing your payments partner will meet you at any stage. Get the right tools to streamline operations with a full spectrum of payment solutions, tailored for your industry. Get back to what you're truly passionate about: your business.

[Get started](#)

Access all you need, all-in-one platform

Elavon Business Solutions is an industry-tailored, fully supported payments solution designed to drive performance, value and growth. It empowers small and medium business owners to focus on their passion by enhancing essential front-end to back-end processes.

Make your everyday easier

Our plans are built by payments professionals who understand your industry. That means you get all the hardware, software, and services you need, and none of what you don't.

Access support 24/7

Get the support you need, when and how you need it. Choose from convenient self-serve tools or connect with a real team you can call in real time.

Grow your business

From day one to decades in, select a plan that meets you right where you are—and move seamlessly between packages as your business needs grow and change over time.

Power your business with seamless payment solutions

You bring the passion, the vision, and the expertise. Elavon brings the deep industry experience, on-call support, and proven payments strength. So, whether you're running a neighborhood cafe or an eCommerce boutique, you can stay focused on what matters most: moving your business ahead.

Top six global payments provider

Elavon is consistently rated among the top six global payment providers in the world. And we've earned an A+ rating from the Better Business Bureau in the U.S. and Canada.

A U.S. Bank company

We are backed by the strength and stability of U.S. Bank – the fifth largest commercial bank in the U.S. – consistently recognized as one of the world's most ethical companies

Industry-specific payment solutions

Our specialized solutions are designed to meet the unique needs of your industry.

Enhance provider and staff experience

Dedicated account management and support teams including 24/7 customer support including live-chat.

Know your processing fees from the start

Our transparent pricing helps you optimize your setup and plan for your practice to grow.

Fees vary by payment type:

Swipe, tap, insert

2.60% + 10¢

For physical or tap-to-pay card payments made by customers.

Manual transactions

3.50% + 15¢

For card payments where you enter manual card details for customers in person or over-the-phone.

Online payments

2.90% + 30¢

For digital or e-commerce purchases online.

Simplify every element of healthcare payments

Empower your practice to run more smoothly.

Improve reconciliation

Avoid discrepancies and ensure accurate billing by seamlessly connecting insurance provider payments with out-of-pocket patient payments.

Give your patients control

Improve collection rates by allowing patients to pay on their terms and accept payments across the healthcare journey and multiple channels.

Access healthcare expertise

Get support from a team of payments professionals that understand how this highly-regulated industry impacts your business.

Get more from your healthcare payments partnership

Reimagine the payments experience with a solution that's easy to implement, use and maintain.

Optimize patient collections

Reduce the need to manually reconcile patient records and payment details when you can auto-post payments into existing healthcare practice management systems.

Automate and streamline workflows
